Electronic Case Filing Training Registration Form

The Bankruptcy Court's Case Management/Electronic Case Filing (CM/ECF) system allows attorneys to file documents electronically.

The Clerk is offering training to be conducted in the Clerk's Office for filing documents electronically with the Court via the Internet. Attorneys who have taken the training course will be allowed to file documents electronically. Attorneys will be eligible to earn 3 Pennsylvania Continuing Legal Education credits at a cost of \$1.50 per credit.

Attorneys, paralegals, secretaries, and other law office staff involved with filing documents should attend the training. Attorneys will need to take a test prior to receiving a password and login to file documents. The test can be taken at the attorney's office or any other site with Internet access.

You can get more information about CM/ECF at the Court's Website.
