

Rule 5005-9 E-MAIL ACCOUNTS

(a) A Filing User shall maintain a current primary e-mail address in the CM/ECF System. Filing Users may also register a secondary e-mail address. It is the Filing User's responsibility to ensure that the primary and secondary e-mail accounts are active and fully functional.

(b) The CM/ECF System will automatically send Notices of Electronic Filing (NEFs) to the registered primary and secondary e-mail addresses of all Filing Users in a case. Filing Users are responsible for monitoring the docket activity in each of his or her cases, independently of the NEFs sent to the Filing User's registered e-mail accounts. Problems with a Filing User's e-mail account will not defeat the presumption of effective notice and service pursuant to W.PA.LBR 5005-8(a).

(c) If the CM/ECF System reports repeated e-mail delivery errors to a Filing User's primary or secondary e-mail addresses, the Chief Judge may issue a Rule to Show Cause to the Filing User.
