**Discovery Dilemmas: Staying Clear of the Ethical Inferno**

Litigation discovery touches on numerous ethical issues. This fully interactive CLE, in the form of a game, will test your knowledge of ethical rules and opinions that intersect with discovery. Rules of Professional Conduct 1.1, 1.4, 1.6, 3.4, 5.2, 5.3, 5.5, the Federal Rules of Civil Procedure, and some ethics and court opinions serve as touchstones for a number of ethical quandaries you will be asked to resolve in a hypothetical case. For every correct answer you will climb closer to "ethical paradise," but beware—many of these ethical dilemmas can trip you up and slide you down toward the dreaded "ethical inferno"!

**Continuing Education:** Approved for 1.0 Ethics CLE credit in PA.  
The Women's Bar Association of Western Pennsylvania is a licensed provider of CLE credit in Pennsylvania.
