

PUBLIC ANNOUNCEMENT

United States Bankruptcy Court for the Western District of Pennsylvania

REMINDER REGARDING PAYMENT OF FILING FEES

This is a reminder to all counsel that absent an Order of Court stating otherwise, the Clerk must collect all filing fees set forth in 28 U.S.C. § 1930 and the *Bankruptcy Court Miscellaneous Fee Schedule* issued in accordance therewith.

Please be advised that the Clerk's Office reviews all filings designated by the filing party as "No Fee Required / NFR" to confirm either that an exception to payment of a filing fee applies or that the filing fee at issue has been waived or deferred pursuant to an Order of Court.

Electronic filers are further reminded that, pursuant to W.PA.LBR 5005-10(b), the failure to pay Court fees within four (4) days of the filing event or the issuance of the *Request for Filing Fee* from the Clerk or the Court will result in the user being locked out of the Court's CM/ECF system until full payment is made.

Stated in other words, it has come to the Court's attention that some filers are improperly asserting "No Fee Required / NFR" with some docket events, and are not timely remitting the proper filing fee when and as due. All counsel are reminded that if filing fees are not remitted, counsel's electronic filing privileges in all cases will be suspended until full payment is made.
