NOTICE

Changes to Judge Agresti's Motion Court Calendar as posted on the Court's Website

Effective August 5, 2016

In order to facilitate a uniform process of posting the Court's calendar to the website, *as of August 5, 2016*, Judge Agresti will be posting his hearing calendars in the same format as Judge Taddonio is currently using.

The process used is CHAP (Chambers Automation Program) which allows Judge Agresti to post his upcoming hearing calendars for a period of two weeks on an automatic, continual basis. Since the calendar is continually updated counsel and the public are able to view his calendar on a real time basis.
