#31 - Certificate of No Objection
[Tentative Ruling: At the hearing, the trustee shall be
prepared to address the default provisions of the
proposed settlement. Specifically, the proposed order
suggests the Debtors' discharge will be vacated and
denied if they fail to make payments as required under
the settlement agreement. Given that a discharge order
was issued over a year ago, the Court questions whether
it possesses the authority to vacate a discharge under
these circumstances. The trustee shall therefore be
prepared to supply any applicable legal authorities that
would justify those provisions in the proposed order]**
