Rule 2002-1 CERTIFICATES OF SERVICE

- (a) Any entity who serves a document in satisfaction of a notice requirement shall file a certificate of service with the Clerk within seven (7) calendar days after the date of service. A certificate of service of any document in an expedited matter shall be filed immediately after service is made.
- (b) Service in paper copy format shall be made on each party in interest who is not a Notice of Electronic Filing (NEF) recipient.
- (c) The certificate of service shall conform substantially to Local Bankruptcy Form 7 (Certificate of Service).
- (d) It is the responsibility of the filer to compare the actual NEF generated by CM/ECF upon filing the document with the list of NEF recipients identified in the certificate of service. The filer shall file an amended certificate of service where there is a discrepancy between the original certificate of service and the actual NEF.
