**ORDER REGARDING OMNIBUS MOTION FOR STAY OF CERTAIN
UNITED STATES GOVERNMENT DEADLINES
IN LIGHT OF LAPSE OF APPROPRIATIONS**

Upon consideration of the *Omnibus Motion for Stay of Certain United States Government Deadlines in Light of Lapse of Appropriations* [Dkt. No. 1] filed by the United States of America, IT IS HEREBY ORDERED THAT:

1. The motion is GRANTED IN PART as provided herein.
2. Counsel for the United States shall notify the Court promptly upon being advised that Congress has appropriated funds for the Department of Justice, the Internal Revenue Service, the Department of Agriculture, the Small Business Administration, and any other impacted federal agencies.
3. In any case where the applicable deadline for the United States to file a proof of claim has not already passed, the deadline for the United States to file a proof of claim in such case shall be the later of: (1) the applicable governmental bar date; or (2) thirty days after the federal government is funded through Congressional appropriation.
4. Any deadline in an adversary proceeding in which the United States is a named party is stayed pending further Order of the Court.

5. The request for a stay barring plan confirmation in any chapter case or extending the deadline to object to plan confirmation is DENIED WITHOUT PREJUDICE to the United States seeking an appropriate extension or stay on a case-by-case basis with the presiding judge in any such case.

6. Any party that claims to be prejudiced by the terms of this Order may request relief from the Court on a case-by-case basis through an appropriate motion filed in the applicable case.

7. For the avoidance of doubt, nothing in this Order shall stay or extend the response deadline for any of the following categories of matters, which may proceed notwithstanding the lapse in appropriations:

- (a) motions for the use of cash collateral under 11 U.S.C. § 363;
- (b) motions for authority to obtain postpetition credit under 11 U.S.C. § 364;
- (c) motions for relief from the automatic stay under 11 U.S.C. § 362 where time is of the essence to protect estate or third-party interests;
- (d) motions seeking authority to pay wages, salaries, benefits, or other obligations necessary to preserve the estate;
- (e) motions to assume or reject executory contracts or unexpired leases where a prompt decision is essential to the preservation of the estate or to avoid prejudice to non-governmental counterparties; and
- (f) any matter in which delay would cause immediate and irreparable harm to the debtor, the estate, creditors, or other non-governmental parties in interest.

8. Nothing in this Order shall prevent any judge of this Court from (i) excepting a matter from the stay upon a showing of good cause, or (ii) continuing or rescheduling any matter in the interests of justice.

9. This Order is entered as an administrative measure to address the lapse in appropriations. It does not affect deadlines or proceedings unrelated to the participation of the United States, nor does it alter the substantive rights of any party.
