STANDING ORDER

Due to the COVID-19 situation, the United States Bankruptcy Court for the Western District of Pennsylvania (the “Court”) has determined that it is in the interest of the public and the Court’s personnel to minimize the volume of documents being delivered to the Court in person and by mail. The Court has implemented an electronic proof of claim system (the “ePOC System”) allowing claims to be filed electronically without requiring a CM/ECF account. The ePOC System is available on the Court’s website at: <https://www.pawb.uscourts.gov/filing-proof-claim>.

AND NOW THEREFORE, this 14th day of *April, 2020*, it is hereby **ORDERED** that:

1. W.PA.LBR 3002-1(f), having been amended by way of Standing Order 20-206, is further amended as follows:

(f) ~~Any entity filing more than ten (10) claims in a calendar year shall file~~ All claims shall be filed electronically in the CM/ECF System or by using the ePOC System.
2. A *pro se* creditor without access to a computer may file a paper claim by mailing it to the Court.
3. This Order shall remain in effect until further order of this Court.
